NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTIONS

TO: ALL PERSONS WHO PURCHASED OR OTHERWISE ACQUIRED TRUST UNITS OF PACIFIC COAST OIL TRUST BETWEEN MAY 2, 2012 AND JULY 1, 2014, INCLUSIVE (THE "CLASS").

THIS NOTICE WAS AUTHORIZED BY THE COURT. IT IS NOT A LAWYER SOLICITATION. PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY.

WHY SHOULD I READ THIS NOTICE?

This Notice is given pursuant to an order issued by the Superior Court of the State of California, County of Los Angeles (the "Court"). This Notice serves to inform you of the proposed settlement of a class action lawsuit (the "Settlement") and the hearing (the "Settlement Fairness Hearing") to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, as set forth in the Stipulation and Agreement of Settlement dated May 20, 2016 (the "Stipulation"), by and between Plaintiffs Thomas Welch and Ralph Berliner ("Plaintiffs"), on behalf of themselves and the Class, and Defendants Pacific Coast Oil Trust ("PCOT"), Pacific Coast Energy Company LP, PCEC (GP) LLC, Pacific Coast Energy Holdings LLC, Halbert S. Washburn, Randall H. Breitenbach ("PCOT Defendants"), Barclays Capital Inc.; Citigroup Global Markets Inc.; Merrill Lynch, Pierce, Fenner & Smith Incorporated; J.P. Morgan Securities LLC; UBS Securities LLC; Wells Fargo Securities, LLC; RBC Capital Markets, LLC; Robert W. Baird & Co. Incorporated; Stifel, Nicolaus & Company, Incorporated; Oppenheimer & Co. Inc.; Janney Montgomery Scott LLC; and Morgan Stanley & Co. LLC (together with the PCOT Defendants, "Defendants"). This Notice is intended to inform you how this lawsuit and proposed Settlement may affect your rights and what steps you may take in relation to it. This Notice is not an expression of any opinion by the Court as to the merits of the claims or defenses asserted in the lawsuit.

WHAT IS THIS LAWSUIT ABOUT?

Summary of Allegations and Procedural History

On July 1, 2014, Plaintiff Thomas Welch filed a lawsuit in the Superior Court of the State of California, County of Los Angeles, asserting claims under Sections 11, 12(a)(2), and 15 of the Securities Act of 1933 ("1933 Act") (15 U.S.C. §§77k, 77l(a)(2), and 77o), with respect to the dissemination of allegedly false, misleading, and materially incomplete statements in the Registration Statements and incorporated prospectuses, as amended and filed by PCOT with the Securities and Exchange Commission ("SEC") in connection with PCOT's Initial Public Offering on May 22, 2012 and Secondary Public Offering on September 19, 2013. In sum, Plaintiffs allege (although Defendants deny) that Defendants failed to adequately disclose material facts concerning PCOT and its business and prospects in those offering materials.

On October 16, 2014, Plaintiff Ralph Berliner filed his complaint alleging the same or similar violations of law by the same or substantially similar defendants. On April 3, 2015, Plaintiffs Welch and Berliner filed the operative complaint in this Action, the Consolidated Amended Class Action Complaint for Violations of the Securities Act of 1933 (the "Action").

Defendants have expressly denied, and continue to deny, that Plaintiffs have asserted any valid claims as to any of them, and expressly deny any and all allegations of fault, liability, wrongdoing or damages whatsoever.

HOW DO I KNOW IF I AM A SETTLEMENT CLASS MEMBER?

If you purchased or otherwise acquired (or are the legal representative, heir, executor, administrator, successor, or assign of a person who purchased or otherwise acquired) trust units of Pacific Coast Oil Trust between May 2, 2012 and July 1, 2014, inclusive, you are a Class Member. **Please note that only those unitholders that purchased or otherwise acquired Pacific Coast Oil Trust trust units between May 2, 2012 and July 1, 2014, inclusive, are entitled to potentially participate in the settlement.** As set forth in the Stipulation, excluded from the Class are: all Defendants; all officers and directors of Defendants as of the date of or in the year preceding the Initial Public Offering; the members of the immediate families of any of the foregoing; any entity in which any Defendant has or had a controlling interest; the parents and subsidiaries of Pacific Coast Oil Trust; and the legal representatives, heirs, successors, or assigns of any excluded Person.

WHAT IS THE MONETARY VALUE OF THE PROPOSED SETTLEMENT?

If the Settlement is approved by the Court, it will provide for a gross payment of \$7,600,000 into a settlement fund (the "Settlement Fund"), which, after deducting certain fees and expenses described below, would be available for distribution to persons who acquired Pacific Coast Oil Trust trust units within the United States between May 2, 2012 and July 1, 2014, inclusive. Based on the information currently available to Plaintiffs' Counsel and based on the analysis performed by its damages consultant, if claims are submitted representing 100% of the eligible damaged Pacific Coast Oil Trust trust units, the estimated average recovery would be \$0.23 per unit, before deducting settlement administration costs and Court-approved fees and expenses. Historically, claim submission rates are less than 100%, which results in a higher per share recovery for those who submit qualifying claims. Plaintiffs' damages expert has determined that the \$7,600,000 settlement represents approximately 10.15% of the Class' maximum reasonably recoverable damages. Please see the question below for a description of the proposed Plan of Allocation for distributing the Settlement Proceeds to members of the Class.

WHAT IS THE PROPOSED PLAN OF ALLOCATION?

The Net Settlement Fund will be paid to Class Members in accordance with the following Plan of Allocation:

Plan of Allocation

Plaintiffs' Counsel have determined that an Authorized Claimant's "Recognized Loss" under the Plan of Allocation will be calculated as set forth below. The objective of the Plan of Allocation is to equitably distribute the settlement proceeds to Class Members. The Plan of Allocation generally measures the amount of loss that a Class Member can claim for purposes of making *pro rata* allocations of the Net Settlement Fund to Authorized Claimants. The Plan of Allocation is not a formal damages analysis. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund. The Plan of Allocation is being proposed solely by counsel for Plaintiffs, and the Defendants in no way admit that the Plan of Allocation is an accurate reflection or computation of any damages to Class Members, if they existed.

Trust Units of the Pacific Coast Oil Trust purchased in the initial public offering dated May 2, 2012; purchased in the secondary offering dated September 19, 2013; or purchased otherwise through July 1, 2014, and then sold at a loss on or after September 24, 2013 are eligible for damages. The total number of damaged shares is estimated to be 33.3 million. The gross recovery per damaged share is estimated to be at least \$0.235 per share:

A. For each Trust Unit purchased on or between May 2, 2012 and September 23, 2013, and sold on or after September 24, 2013, the Recognized Loss for each such Trust Unit shall be *the lesser of*:

- (i) the lesser of the purchase price (excluding fees and commissions) or \$17.20 per share minus the sales price (excluding fees and commissions), if sold on or before July 1, 2014; or
- (ii) the lesser of the purchase price (excluding fees and commissions) or \$17.20 per share minus \$12.92 per share.

B. For each Trust Unit purchased on or between September 24, 2013, and July 1, 2014, the Recognized Loss for each such Trust Unit shall be *the lesser of*:

- (i) the actual purchase price of each such Trust Unit (excluding all fees and commissions) minus the actual sale price (excluding all fees and commissions), if sold on or before July 1, 2014; or
- (ii) the actual purchase price of each such Trust Unit (excluding all fees and commissions) minus \$12.92 per share

For all purposes, the transaction date, and not the settlement date, shall be used as the date for determining Eligible Loss per Trust Unit, eligibility to file a claim, and the calculation of Recognized Losses. All purchases and sales of Trust Units shall be accounted for and matched using the first-in-first-out (FIFO) method of accounting and gains on short sales of Trust Units (if any) on or between May 2, 2012, and July 1, 2014, will be used to offset losses.

The Recognized Loss for each Authorized Claimant will be calculated by the Claims Administrator in consultation with Plaintiffs' Counsel and in accordance with the provisions of this Plan of Allocation. Recognized Loss will be calculated for each of Authorized Claimant's relevant transactions listed in the Proof of Claim form, and for which adequate documentation is provided. Each Authorized Claimant shall be paid the percentage of the Settlement Fund that each Authorized Claimant's Recognized Loss bears to the total of the Recognized Loss for all valid Claims. In the interest of economy, no payment will be made to any Authorized Claimant whose recovery would be less than \$10.00 based on the initial allocation of the Net Settlement Fund to the Authorized Claimants.

Payment in the manner set forth above will be deemed conclusive compliance with the Stipulation as to all Authorized Claimants. All Class Members who fail to submit valid and timely Proofs of Claim will be barred from participating in the distribution of the Net Settlement Fund but otherwise will be bound by all of the terms of the Stipulation, including the terms of any final orders or judgments entered and the releases given to Defendants.

No Authorized Claimant will have any claim against the Plaintiffs, Plaintiffs' Counsel, or the Claims Administrator, or any other agent designated by Plaintiffs' Counsel based on the distributions made substantially in accordance with the Stipulation, the Plan of Allocation, and further orders of Court. In addition, in the interest of achieving substantial justice, Plaintiffs' Counsel will have the right, but not the obligation, to waive what they deem to be formal or technical defects in any Proofs of Claim filed.

DO I NEED TO CONTACT PLAINTIFFS' COUNSEL IN ORDER TO PARTICIPATE IN DISTRIBUTION OF THE SETTLEMENT FUND?

No. If you have received this Notice and timely submit your Proof of Claim to the designated address, you need not contact the Plaintiffs' Counsel. If you did not receive a Notice and/or Proof of Claim but believe you should have, or if your address changes, please contact the Claims Administrator at:

THERE WILL BE NO PAYMENTS IF THE STIPULATION IS TERMINATED.

The Stipulation may be terminated under several circumstances outlined in it. If the Stipulation is terminated, the certification of the Class for settlement purposes will be vacated, and the Action will proceed as if the Stipulation had not been entered into.

WHAT ARE THE REASONS FOR SETTLEMENT?

The Court has not reached any final decisions in connection with Plaintiffs' claims against Defendants. Instead, Plaintiffs and Defendants have agreed to this Settlement. In reaching the Settlement, they have avoided the cost, delay, and uncertainty of further litigation.

As in any litigation, Plaintiffs and the proposed Class would face an uncertain outcome if they did not agree to the proposed Settlement. The Parties expected that the case could continue for a lengthy period of time and that if Plaintiffs succeeded, Defendants would file appeals that would postpone final resolution of the case. Continuation of the case against Defendants could result in a judgment greater than this Settlement. Conversely, continuing the case could result in no recovery at all or a recovery that is less than the amount of the Settlement.

Plaintiffs and Plaintiffs' Counsel believe that this Settlement is fair and reasonable to the members of the Class. They have reached this conclusion for several reasons. If the Settlement is approved, the Class will receive a significant monetary recovery. Additionally, Plaintiffs' Counsel believes that the significant and immediate benefits of the proposed Settlement are an excellent result for the Class – especially given the risks and uncertainties of continued litigation.

Defendants deny any wrongdoing and their agreement to settle this Action shall in no event be construed or deemed to be evidence of an admission or concession on the part of any Defendant with respect to any claim or of any fault, liability, wrongdoing, or damage.

HOW WILL THE LAWYERS BE PAID?

Lead Counsel will file a motion for an award of attorneys' fees and expenses that will be considered at the Settlement Fairness Hearing. Lead Counsel will limit their application for an award of attorneys' fees to \$2,530,800 from the Settlement Fund, plus reimbursement of expenses incurred in connection with the Action in an amount not to exceed \$85,000. In addition, Plaintiffs may seek reimbursement of up to \$10,000 (\$5,000 per Plaintiff) for time and expenses (including lost wages) incurred in representing the Class. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses.

The attorneys' fees and expenses requested will be the only payment to Lead Counsel for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis. Lead Counsel have committed significant time and expenses in litigating this case for the benefit of the Class. To date, Lead Counsel have not been paid for their services in conducting this Action on behalf of the Plaintiffs and the Class, or for their expenses. The fees requested will compensate Lead Counsel for their work in achieving the Settlement. The Court will decide what is a reasonable fee award and may award less than the amount requested by Lead Counsel.

MAY I EXCLUDE MYSELF FROM THE SETTLEMENT?

If you do not want to receive a payment from this Settlement, and you want to keep the right to sue or continue to sue Defendants on your own about the legal issues in this case, then you must take steps to get out of the Class. This is called excluding yourself from, or "opting out" of, the Class.

To exclude yourself from the Class, you must send a letter by mail saying that you want to be excluded from the Class and do not wish to participate in the Settlement in the following Action: *In re Pacific Coast Oil Trust Securities Litigation*, Case No. BC550418. Be sure to include your name, address, and telephone number. Your exclusion request must be postmarked no later than February 2, 2017 and sent to the Claims Administrator at:

c/o KCC Class Action Services
3301 Kerner Blvd.
San Rafael, CA 94901
Phone: (844) 239-8899

You cannot exclude yourself by phone or by email. If you make a proper request for exclusion, you will not receive a Settlement payment, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit.

If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Settled Claims against any of the Released Parties.

If you wish to be excluded from the Settlement Class, submit a request for exclusion only and do not submit an objection to the Settlement. If you do submit both a request for exclusion and an objection to the Settlement, your objection will be disregarded.

Defendants have the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Plaintiffs and Defendants.

MAY I OBJECT TO THE PROPOSED SETTLEMENT, THE REQUESTED ATTORNEYS' FEES, THE REQUESTED REIMBURSEMENT OF COSTS AND EXPENSES, AND/OR THE PLAN OF ALLOCATION?

Yes. If you are a Class Member, you may object to the terms of the Settlement. Whether or not you object to the terms of the Settlement, you may also object to the requested attorneys' fees, costs, and expenses, and/or the Plan of Allocation. In order for any objection to be considered, you must mail a written statement, accompanied by proof of Class membership, via first-class mail to the Claims Administrator at: Pacific Coast Oil Trust Securities Litigation Settlement, c/o KCC Class Action Services, 3301 Kerner Boulevard, San Rafael, CA 94901. Copies of all such papers must be post-marked no later than February 2, 2017. Attendance at the Settlement Fairness Hearing is not necessary; however,

persons wishing to be heard orally at the Settlement Fairness Hearing are required to indicate in their written objection their intention to appear at the hearing and the identity of any witnesses they may call to testify and exhibits, if any, they intend to introduce into evidence.

WHAT ARE MY RIGHTS AND OBLIGATIONS UNDER THE SETTLEMENT?

If you are a Class Member and you do not exclude yourself from the Settlement, you may receive the benefit of, and you will be bound by, the terms of the proposed Settlement described in this Notice and set forth more fully in the Stipulation, upon approval by the Court.

HOW CAN I GET A PAYMENT?

In order to qualify for a payment, you must timely complete and return the Proof of Claim form that accompanies this Notice. Read the instructions carefully; fill out the Proof of Claim form; sign it; and mail it postmarked no later than February 2, 2017. If you do not submit a timely Proof of Claim form with all of the required information, you will not receive a payment from the Settlement Fund; however, unless you expressly exclude yourself from the Settlement as described above, you will still be bound in all other respects by the Settlement, the Judgment, and the release contained in them.

Do not submit both a claim form and a request for exclusion. If you submit both, your request for exclusion will be disregarded.

WHAT CLAIMS WILL BE RELEASED BY THE SETTLEMENT?

If the Settlement is approved by the Court, the Court will enter a Final Judgment. Upon the Effective Date, Plaintiffs and all Class Members, on behalf of themselves and each of the Releasing Persons shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally, and forever waived, released, relinquished, and discharged all Settled Claims against the Released Parties, regardless of whether such Class Member executes and delivers a Proof of Claim.
